

# NEW ADVANCED COVERS FROM

LaserPerformance covers are manufactured in the USA with the most advanced materials available and are the only cover sporting a 5 year limited warranty. Built to the highest quality standards, these covers are the best fitting, longest lasting and easiest to use covers on the market today.

- Crafted in the USA.
- 5 year limited warranty!
- LaserPerformance Covers are made from Marchem Vista® which is arguably the highest quality marine fabric available.
  - UV and mildew resistant
  - Water repellent
  - Breathable
  - Exceptionally strong
- Sewn with Tenara® sewing thread by Gore, the highest quality thread available.
- LaserPerformance Covers incorporate padded corners, local reinforcements at critical wear points and top stitched lines to extend the life of your cover.
- Personalize your cover on the specially designated area.
- Brilliant fit and black/tan color scheme make these covers the best looking covers available.
